A Contemporary Sensation

Located in Vale do Lobo Golf Resort, brand new contemporary spacious villa designed for entertaining and relaxing with family and friends. Set on a double plot offering views of the manicured gardens and the golf course, the villa is located within walking distance to the beach.

With distant sea views over the golf course, this villa is designed and built to high specifications. And all levels are accessible by en elevator

The double height entrance hall with beautiful chandelier, feature staircase and internal courtyard flooding all levels with natural light leads you off to the left to an extremely generous open plan living and dining room plus fully more than large kitchen. The "Bulthaup" kitchen equipped with Sub Zero and Gaggenau appliances has 2 islands and an equally large dining table - more than en
