Opportunity - Urban (or Commercial) Plot in Boliqueime

Located in the village of Boliqueime, municipality of Loulé, lies an exceptional urban plot spanning 2,000 square meters, brimming with potential for diverse development opportunities. This plot enjoys a convenient location within walking distance to supermarkets and restaurants, offering residents easy access to daily amenities.

Strategically positioned closer to schools, shops, and essential amenities, the plot ensures a lifestyle of convenience and comfort for its future inhabitants. Moreover, its advantageous location provides seamless road access to key destinations such as Faro, Albufeira, Vilamoura Marina, pristine beaches, and world-class golf courses, inviting exploration and leisure at every turn.

With a permissible building capacity allowing for the construction of up to 50% of the plot area, dev
