Opportunity in Sought after Suburb!

Searching for something with character and more potential? This south facing 4 bedroom home with 1ST FLOOR SEA VIEWS, and a heated pool, is located in the sought after suburb of Vale Formoso. As the "Golden Triangle" of Quinta do Lago and Vale do Lobo has expanded, the hills of Vale Formoso are fast becoming a rising star and a great investment opportunity. Centrally located and nestled in an enclave of other attractive villas, this family home offers further potential to renovate or increase the construction size

Set on a spacious plot of around 2500 m2 with pretty gardens, the villa is spread over 2 floors. The warm open plan kitchen dinning was extended and the garage on the same level was converted to a games room. There is also a separate laundry off the Kitchen and a cozy terrace to the back. The lovely large living room leads out to the terraces down to the pool and spacious BBQ area. O
