Minimalist Masterpiece of Distinction

This noteworthy "artwork" results is a truly unique 4 bedroom semi-detached home with attention to minimalist design inside and out! The pool, courtyards and expansive roof terrace give unique view points of the light at different times of the day, and the highlight - watching the final encore as the sun sets across the protected nature reserve of the surrounding hills of Agostos in Santa Barbara de Nexe

The villa is split over 2 levels and offers excellent privacy and has space for 2 cars behind automated gates.

A well-known, award winning Lisbon architect masterfully designed this niche property in a minimalist style that perfectly complements the protected surrounding countryside. The home is m
