Investment Plot for 1 or 2 Villas

A plot of 3,400 m2 in a very popular area just above Vale do Lobo and Quinta do Lago to build a dream villa with pool and large gardens, or build 2 equally large villas each with their own pools. Opportunities like this are far and few between at this good value.

The plot is located in Vale Formosa, a sought after area for permanent residents and second homes due to the convenient distance to all facilities, including international schools, the beaches, all sports amenities, Mar Shopping and Loule town.

The zoning of this entire plot presents a number of possibilities. Firstly you can design and build your dream home of 450m2 excluding terraces with a ground floor of 350m2 plus first floor of 150m2 which will have a sea view. Additionally you can have a basement and a pool, and you coul
