## Majestic Villa V4

The majestic villa is set in a large olive grove in the center of the Algarve, with good access and with total privacy. Of Moorish architecture, the property stands out as to specs and finishing and the quality of construction is amazing. On the ground floor, the main villa consists of a suite with two bathrooms, laundry room, pantry, luxuriously equipped kitchen, lounge and dining room with stunning views over the pool and gardens as well as the Andalusian courtyard with a fountain. On the first floor, the villa is composed of 3 large suites with private bathrooms, guest WC, library with fireplace and a veranda overlooking the swimming pool and mature garden. The basement offers a garage for 7 vehicles, a laundry, a gym, a Turkish bath, a massage room and bathroom with a jacuzzi. Outside we find the South facing swimming pool, flanked by a Moorish pavilion with seating area, small kitchen and bathroom.

In an annex building to the North, there is living space for a caretaker, which is composed of a livin
